

Latitude E7270 Mobile Thin Client

Secure, powerful, and portable

The high-powered Latitude E7270 mobile thin client is designed to securely deliver virtual desktops to mobile users. Equipped with a powerful quad core processor and integrated graphics engine, the mobile thin client provides an exceptional user experience with a high level of compute power for the most demanding applications. This thin client for on-the-go performance, offers a 12" display with a Full HD anti-glare display and longer battery life.

Flexibility with reliability

The Latitude E7270 mobile thin client includes a rich array of thin client features on a mobile form factor. It supports a wide variety of virtual desktop brokers including Citrix XenDesktop and VMware Horizon and can connect to a broad range of

peripherals and desktop / application virtualization environments using a fast, rich and familiar Windows 7 user experience.

Easy to Manage

The Latitude E7270 mobile thin client is easily manageable through Wyse Device Manager(WDM), Wyse Cloud Client Manager and Microsoft's System Center Configuration Manager(SCCM). Administration easily scales from just a few to tens of thousands of mobile thin clients. For enhanced security, optional Advanced Threat Protection in the form of Dell Endpoint Security Suite Enterprise and Dell Threat Defense offer proactive malware protection on both virtual desktops and the endpoints themselves, respectively.

Specifications **Latitude E7270 mobile thin client**

Operating system	Windows Embedded Standard 7P
CPU	Intel i5-6300u with integrated HD graphics 520
Memory	8GB RAM
Hard Drive	128GB SSD
I/O peripheral support	SD 4.0 Memory card reader, 3 USB 3.0 (one with PowerShare), HDMI, mDP Network connector (RJ-45), 3 x M.2 expansion slots: 1 SSD ,1 WWAN/HCA and 1 WLAN/BT/WiGig
Networking	Qualcomm Snapdragon X7 LTE-A 10/100/1000 Mbps Ethernet Intel® Dual-Band Wireless-AC 8260 Wi-Fi + BT 4.1 Wireless Card
Multimedia	Internal audio Headset/mic combo jack FHD video webcam
Graphics	Intel® Integrated HD Graphics 520
Battery	55 Whr17 ExpressCharge Capable (4-cell) (polymer)
Display	12.5" FHD (1920 x 1080) Anti Glare (16:9) WLED, 300 nits, Magnesium Alloy LCD back
Dimensions	Height: .74" (18.85mm) x Width: 12.22" (310.5mm) x Depth: 8.47" (215.15mm)
Weight	2.77lbs/1.26 Kgs
Power	E5 65 Watt Adapter (65W Rugged Adapter for India) E5 90 Watt AC Adapter
Warranty	Three-year limited hardware warranty with ProSupport
Support and deployment	Complete services portfolio including Deployment Services, ProSupport and Accidental Damage service.
