Dimensions (W x D x H)	380 x 260.3 x 23.65mm 14.96 x 10.25 x 0.93in
Power supply	Dell E4 45W adapter
Regulatory and environmental compliance	EPEAT Silver Rating Energy Star® 6.1 compliant

Important Information:
1. Graphics & System Memory: Significant system memory may be used to support graphics, depending on system memory size and other factors.
2. Hard Drive Capacity: GB means 1 billion bytes and TB equals 1 trillion bytes; Actual capacity varies with preloaded material and operating environment and will be less.
3. Gigabit Ethernet: This term does not connote an actual operating speed of 1GB/sec. For high speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
4. Starting weight: Weights vary depending on configuration and manufacturing variability.

Vostro 15 3000 feature overview

15-inch notebook with essential business features and support

This laptop comes with essential features so you get everything you need without breaking your budget. Choose the performance level you need with **AMD Carizzo-L** or **Intel® 4th Generation Bay Trail D** processors.

The **anti-glare 15.6" HD display** (1366x768) helps reduce eyestrain from prolonged viewing.

Plenty of ports

The **HDMI port** allows you to connect your laptop to an external monitor or big-screen TV to view content in up to FHD / 1080p resolution for stunning detail.

The **VGA port** ensures maximum protection of your existing technology investments.

The **USB 3.0** port transfers files up to 10x faster than USB 2.0 ports, saving you time on large file transfers between your laptop and external hard drives or networks.

The **SD media card reader** allows you to insert a media card into the laptop's card reader slot to transfers files from your camera or video recorder.

Business features

The **optional optical drive** lets you easily and quickly copy or transfer files or install business software.

Big hard drives allow you to store your content with less worry about running out of hard drive space. You get up to 1TB HDD or 128G SATA SSD.

Collaboration from anywhere

Collaborate remotely or take your meetings online with the optional **HD webcam** and **Waves MaxxAudio® Pro** audio enhancing software. Your customers will be impressed by this video conferencing solution that reduces background noise and boosts audio clarity.

Extra assistance

Using **Windows® 10 Cortana** with a Dell PC equipped with Waves MaxxAudio® Pro lets you easily interact with your own personal, digital assistant. You get a natural voice interaction experience so you have the freedom to multitask and get through your to-do list more quickly.

Support for unmanaged IT environments

Choose optional **Dell ProSupport™ or ProSupport Plus** for 24x7* direct telephone access to advanced-level technicians based in your region. Whether you have one office or hundreds around the world, protect your investments with this simple yet flexible approach.

Essential accessories for Vostro 15 3000
Model 3565

Maximize the performance of your Vostro 15 3000 with Dell recommended essential accessories. Look for these great products and more at check out.
