<b>Power supply</b>	External 90W (UMA) & 130W (dGPU)
<b>Line voltage</b>	100–240 VAC, 50–60Hz

#### Important Information:

- <sup>1</sup>System memory: 64-bit operating system is required to support 4GB or more of system memory.
- <sup>2</sup>Graphics and system memory: Significant system memory may be used to support graphics, depending on system memory size and other factors.
- <sup>3</sup>Hard drives (GB and TB): GB means 1 billion bytes and TB means 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
- <sup>4</sup>Gigabit Ethernet: This term does not connote an actual operating speed of 1GB/sec. For high speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
- ProSupport and ProSupport Plus: Availability and terms vary by region. See [www.dell.com/servicecontracts/global](http://www.dell.com/servicecontracts/global).

# Essential accessories for Vostro 24 5000

Maximize the performance of your Vostro AIO with Dell recommended essential accessories for work.

## **Dell Wireless Keyboard & Mouse (Black) – KM636**

Use the included wired keyboard and mouse or upgrade to this sleek and stylish wireless keyboard and mouse combo with compact keyboard and comfortable optical mouse.

## **Dell 2.0 Speaker System – AE215**

Fill the room with crystal clear stereo sound and rich deep base. Modern, compact design features convenient fingertip controls, headphone jack for private listening, and 3.5mm Aux In for secondary device connectivity.

## **Dell External USB Slim DVD+/-RW Optical Drive – DW316**

Plug this low profile, lightweight drive into your AIO's USB port and you'll be ready to play or burn your favorite DVDs or CDs.
